TO WHOM IT MAY CONCERN:

This letter is to HIGHLY recommend Steve Owens and PLS Construction. Steve was recommended to us by a friend and we have been grateful for the following reasons.

1. Our church burned to the ground and he rebuilt it from scratch and kept communication open with us on a regular/daily basis.
2. He was more interested in saving us money than trying to add expensive additions that were not needed. Several times he came to us and presented ideas to us that would cut costs for us and still give us a well designed functioning building.
3. His workers were solid and stood behind their work. After the building was completed there were a few glitches that had to be fixed and he was quick to make sure things were corrected quickly.
4. He was honest and upfront with us throughout the whole building process.

We HIGHLY recommend Steve as a man that can be trusted for any project you may be considering. Please feel free to call us if you have any questions, we will be happy to talk with you.

Sincerely

Rev Paul H. Roach, Senior Pastor
