To Whom It May Concern

On behalf of Neal's Furniture, it is my pleasure to recommend PLS Construction for consideration in other work.

After careful review Neal's Furniture contracted PLS for the construction of a new 44,000 sq ft. showroom in Okmulgee, Ok. in 2014.

The PLS company provided knowledge, experience, and a proven track record to our construction project. Their willingness to help achieve our goals, and the hands on approach from the owner, (Steve owens) made for a successful overall project.

The leadership at Neal's Furniture places trust and confidence in PLS construction to deliver a quality project on time and at a fair price

Sincerely

John Neal Jr.
